vania.hartono@example.com | linkedin.com/in/vania-hartono-demo | +62 813 5550 0106 | Jakarta, Indonesia

SUMMARY

Product manager with 10 years of experience in marketplace and payments products. Known for turning ambiguous problems into clear roadmaps and for partnering with engineers, designers, and data teams to ship measurable growth.

WORK EXPERIENCE

Senior Product Manager
May 2022 - Present

Pasarloka | Jakarta, Indonesia

- Owned the checkout roadmap across 6 squads; conversion rose 9% in two quarters.
- Ran more than 40 A/B tests and analyzed funnels with SQL together with the data team.
- Launched a seller analytics product used by 18,000 merchants within 6 months.

Product Manager
Jun 2018 - Apr 2022

PayWave Nusantara | Jakarta, Indonesia

- Led the redesign of the payment flow, reducing drop-off by 14%.
- Introduced quarterly planning that cut release delays by 20%.
- Interviewed 60+ merchants every year to shape the roadmap.

Associate Product Manager
Jul 2016 - May 2018

Tokoku Digital | Jakarta, Indonesia

- Supported 3 PMs with market research, requirement documents and sprint reviews.
- Wrote the first self-serve onboarding guide, lowering support tickets by 25%.

PROJECTS

Seller Analytics Dashboard
Pasarloka, 2023 - 2024

- Defined requirements with 12 merchants and prioritized an MVP that shipped in 10 weeks.
- Tracked adoption weekly and iterated on the three features merchants used most.
